Canteen

Dear Parents

I am writing to inform you that Mr Grant Williams has let me know that he will not be continuing to operate the school canteen as a business in 2019. I would like to thank Grant and his late wife Kristy for their hard work in running such a wonderful canteen over the past six years.

The operation of the canteen will be decided upon early next year by Miss Maureen Barrett and the School Board. Parents should anticipate a disruption to the service in Term One. It is the goal of the school to have the canteen open and operating for Term Two in 2019 or earlier if possible.

If there are persons in the community interested in offering a proposal to take over the operation of the canteen, expressions of interest can be sent to admin@stbernadettes.wa.edu.au

I apologise for the upcoming disruption to services but assure you that the school will be working hard to re-establish the canteen as early as possible in 2019.

Kind regards

Steve Gibbs
