

KUNG FU & TAI CHI

SCHOOL WORKSHOPS

The Chinese Kung Fu and Tai Chi Academy provide engaging, fun and exciting workshops for any school event. Our workshops complement the Western Australian Curriculum, particularly in the areas of PHE and HASS. All of our instructors are fully insured and WWC accredited.

Students attending our workshops walk away with knowledge and skills in Kung Fu, Tai Chi, relaxation and Lion Dance, as well as a greater awareness of other cultures.

Our inclusive workshops are a fun, interactive and hands-on learning experience, and cater for many different learning styles and needs so classes are accessible for all students.

"The workshop was fantastic with lots of rave reviews from the 25 primary school students and their parents."
